

HOW TO CELEBRATE MATHS WEEK LONDON 2021...

1. Enter Times Table Rockstars' London Rocks competition. Entries can be made every weekday from 07:00 – 19:00 with lots of prizes to be won.

Will we come out victorious?

2. Explore Purple Mash's wide range of maths games and activities. For example, Monster Multiplication (KS2), Sequence Snake (KS2), Dividers (KS1), Fractonio's Pizzeria (KS1 & KS2) and 2Race (KS1 & KS2).

3. Visit 'Maths on Toast' for a whole range of free activities and tasks to be explored.

The Aims of Maths Week London

- Improve children's confidence in mathematics
- Demonstrate to children the value of maths as a lifelong skill by linking it to the wider world
- Encourage all children to develop their maths skills and have a positive attitude

MATHS WEEK LONDON
28TH JUNE - 2ND JULY
